REPORT

Topic: Cyber Crime Awareness Programme

Date: 14.03.2024

Location : Dhanvantri Lecture Hall (B Module, 2nd floor)

Speaker: Mr. K Srinivas Rao, Inspector of the Police, Eluru TS.

Cyber Crime Awareness Program held at our medical college on March 14, 2024. The program featured Mr. K. Srinivas Rao, Inspector of the Police, Eluru TS, as the chief guest.

Program Highlights:

- 1. Understanding Cyber Crime:** The program commenced by defining cyber crime and providing examples of incidents that fall under this category. Additionally, it shed light on the increasing prevalence of cyber crime within our state.
- 2. Impact of Cyber Crime:** The session explored the psychological, physical, and emotional toll cyber crime can have on victims. It also emphasized the importance of knowing who to reach out to for support in such situations.
- 3. Focusing on Specific Crimes:** The program delved into three major types of cyber crime: those involving money, property, and identity theft.
- 4. Protecting Women:** A critical discussion addressed the heightened vulnerability of women to cyber crime, particularly regarding trafficking and blackmail. Strategies for vigilance, self-protective measures, and resources available for women facing such situations were emphasized. Social media's role in facilitating these crimes was also addressed.
- 5. Real-World Examples:** Case studies of cyber crime incidents from Vijayawada and the successful resolution achieved for victims were presented.
- 6. Comprehensive Overview:** The program provided a thorough understanding of cyber crime, including its definition, the steps to take if affected, and the support systems available in India to aid victims.

Conclusion:

This cyber crime awareness program equipped participants with valuable knowledge and resources to protect themselves and others from online threats. The program fostered a sense of responsibility and empowered attendees to navigate the digital world cautiously.
