Achievements of oral and dental surgery

ALLURI SITARAMARAJU ACADEMY OF MEDICAL SCIENCES

DEPARTMENT OF DENTAL AND ORAL SURGERY

Date: 25-07-21

We from the department of Dental and Oral surgery are happy to inform ASRAM Medical College and management that we have performed 27 maxillectomy surgeries for people who were diagnosed and admitted with mucormycosis (Black fungus). All the patients have completely recovered with no recurrences.

We are thankful to the hospital and management for giving us this opportunity and making us involve in this pandemic situation
